Spirit is something that
comes from within. We
all have spirit in us . . .

Whether it be in our
devotion to school
work . . .

as a member of a team

Our spirit in a particular
skill we enjoy and work
to perfect . . .

Where friendship is
sought and found

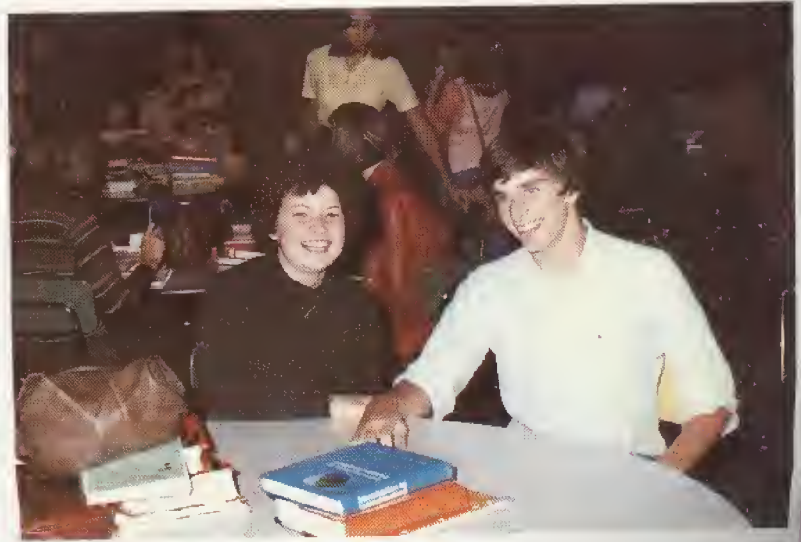

When we all combine this spirit we have something

immeasurable and that's school spirit . . .

Spirit we put forth
with smiling faces.

Dedication

MRS. JANET McCONVILLE

Mrs. McConville,

We dedicate our 1978 JOURNAL to you, not only because you are an exceptional English teacher, but because you are a true and very special friend to us all. You have always been there when we needed you, with a warm and understanding smile.

Your spirit in guiding us has made us determined and enthusiastic during our years at Taunton High School and in preparation for our futures. The many fine qualities you possess, you cared enough to give us. With our thanks we wish you happiness.

With love,
THE CLASS OF 1978

HEADMASTER

MR. PETER P. GEORGE

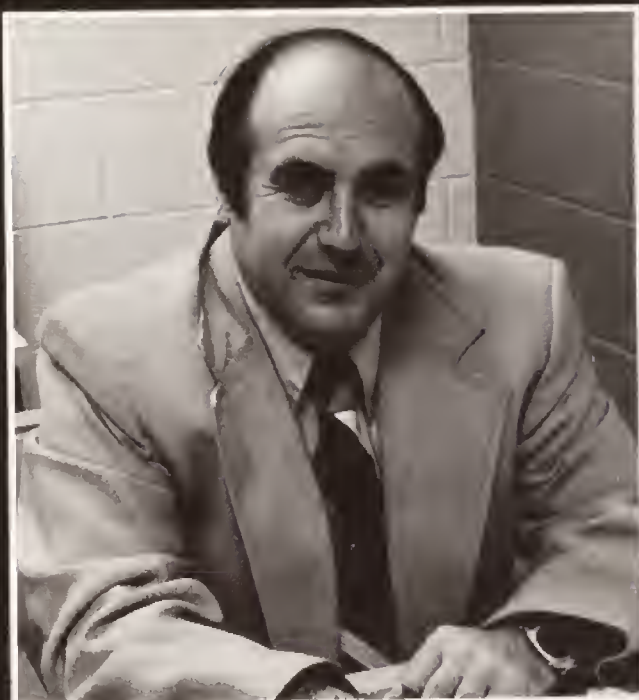

Congratulations to the graduating class of 1978!

You are unique in that you are the last class to have spent a year at the old high school. I hope the pleasure of having experienced both the old and the new will enrich your memories of Taunton High School, and that you are prepared for a happy and successful future.

In Memory of

KEVIN MACHADO

"Happiest young man when he was on wheels."

We, the graduating class of 1978, hereby bequeath to all of our underclassmen, the spirit that is within the walls of Taunton High School. We leave to you all the teachers, and the classes, the easy, along with the difficult. And also, we leave to our underclassmen the hope of a bright future, and a lifetime of beautiful memories . . .

To Penny Webb, I leave, as her coach, the difficult practices, and all the fun we used to have when we tried to do them. Best of luck these next two years Penny. Lots of Love, Doreen.

To Mike White, my coach, I leave all the workouts that I didn't do. Karen

The Senior Cheerleaders leave with lots of thanks and gratitude for Ms. Botelho. (And lots of love!)

Ace leaves Jeff Wilbur tickets to a Rolling Stones Concert, some Stones albums, and a poster of Mick Jagger. To Hen and Finn, a great Cross-Country Team and jackets. Any Physics class to anyone who wants it!

Allison leaves Denise Johnson the secretaries chair in C House Office.

Oldehenshaloff leaves Billy Cronin with all their love.

Rich leaves to Pat Crowninshield his two year old dead turtle named Sydney.

To Steve Murphy, some chewing tobacco, with love.

David Barreiros leaves all of his many words of wisdom and his great sense of humor to the Music Department and the Latin Club.

Mary, Beth, Karen, and Patti leave to Eileen and Mimi, Burger King's bathroom.

We leave Dever to the class of '79.'

To Mr. Ponte, we leave all the great Portuguese (from a fan).

To my sisters, I leave all the mornings waiting for the bus, and all the times we woke up late. Cheryl and Michelle, who's going to wake you up next year? Lots of Love, Doreen.

The Journal Staff of 78 leaves the Journal Staff of 79 lots of luck.

To Jim and Jeff all my love.

Joyce leaves Kathy and Denise and the Girls swim team all her love and good luck next year.

To Mr. Moniz, Pete Thadeio leaves a case and a ream of typing paper.

To my sister Kathy Olson I leave many "Lovely Days" from Doreen.

To Mr. Moniz a quiet D block, Kathy Perra.

Sheila and Maria leave Neil Dupont a freshman to bother him senior year.

Football

Under Coach Ron Nichols, this year's freshman football team came out of their season undefeated and untied, their record being 8-0-0. In recognition of their hard-earned record, each of the team members received a trophy from Taunton High School. The team was honored with a team trophy and Coach Nichols received a special plaque from the Student Council.

These young men will be remembered as the only freshman squad to have an unblemished record. They are recognized as "area mythical champions."

The South Sectional State Tournament at T.H.S. marked the first time a tournament had been held here. T.H.S. was ranked third for the tournament. The girls won their pool (8-0) and advanced to the State Finals. In the finals the team played well and went into their match against Waltham (best in state) undefeated and finished tied with Brockton for second place. Jackie Heher played outstandingly during the tournament.

Coach Paquette had people come to her praising her team. She describes this year's team as "the best volleyball team to come out of T.H.S."

Winter Track

In only their first year as a Varsity team, the T.H.S. Winter Track Team compiled an amazing 11 win — 0 loss record. In doing so they captured the League Championship in the Southeastern Mass. Div. I Conference, the toughest division in the state. With devastating victories over perennial track powers New Bedford, Attleboro, and Dartmouth, the Tiger thinclads established themselves as one of the toughest contenders in the state title chase.

In the state championship meet the Tigers flexed their muscles and showed what they could do by placing 3rd in the competition, surprising the entire state with their talent, class and dedication.

Three factors were instrumental in the Tigers great success: the superb coaching of Mr. Lane and Mr. Lussier; the talent and desire to win developed through these coaches, and the undying spirit that held the team together.

It is truly a season that is never to be forgotten.

You'll Find a Friend

Everlasting Love

(Spirit)

Although we, the class of 1978, are concluding our four years at Taunton High School, it has left an indelible mark upon our lives. Our memories include, not only the new building, but more importantly, the knowledge we have gained, the friends we have acquired and the spirit we have shared.

The staff of the 1978 Journal would like to extend its deepest appreciation to Mr. Richard Januse, our advisor, Mr. Peter P. George, Taylor Publishing Company, Arnie Lohmann, Dodge-Murphy Studios, the faculty at T.H.S. and the businessmen of our community.

We would also like to extend a special thank-you to our hard-working editor-in-chief, Joyce Henerberry. Without her support the publication of the 78 Journal would not have been possible.

Much energy, ingenuity, and spirit went into the preparation of this Journal. We hope that this yearbook has captured and preserved some of your memories of Taunton High School.
